

DELAWARE RIVER BASIN COMMISSION

Notice of Public Hearing and Business Meeting

Notice is hereby given that the Delaware River Basin Commission will hold a public hearing on **Wednesday, August 12, 2020**. A business meeting will be held the following month on **Wednesday, September 10, 2020**. Both the hearing and the business meeting are open to the public. In light of COVID-19 mitigation measures in effect for DRBC member states, however, both meetings will be conducted remotely. Please check the Commission's website, www.drbc.gov, on or after July 29, 2020 for details about the meeting formats and how to attend.

Public Hearing. The public hearing will take place by telephone on **August 12, 2020**, commencing at **1:30 p.m.** Hearing items will include draft dockets for withdrawals, discharges, and other projects that could have a substantial effect on the basin's water resources as well as resolutions to: (a) adopt the Commission's current expense and capital budgets for the fiscal year ending June 30, 2021; and (b) apportion among the signatory parties the amounts required for the support of the current expense and capital budgets for the fiscal year ending June 30, 2021.

The list of projects scheduled for hearing, including project descriptions, and the text of the proposed resolutions will be posted on the Commission's web site, www.drbc.gov, in a long form of this notice at least ten days before the hearing date.

Written comments on matters scheduled for hearing on August 12, 2020 will be accepted through 5 p.m. on August 17, 2020.

The public is advised to check the Commission's web site periodically prior to the hearing date, as items scheduled for hearing may be postponed if additional time is needed to complete the Commission's review, and items may be added up to ten days prior to the hearing date. In reviewing docket descriptions, the public is also asked to be aware that the details of projects may change during the Commission's review, which is ongoing.

Public Meeting. The public business meeting on **September 10, 2020** will begin at **10:30 a.m.** and will include: adoption of the Minutes of the Commission's May 13, 2020 Business Meeting; announcements of upcoming meetings and events; a report on hydrologic conditions; reports by the Executive Director and the Commission's General Counsel; resolutions to: (a) adopt the Commission's annual current expense and capital budgets for the fiscal year ending June 30, 2021; and (b) apportion among the signatory parties the amounts required for the support of the current expense and capital budgets for the fiscal year ending June 30, 2021; and consideration of any items for which a hearing has been completed or is not required.

After all scheduled business has been completed and as time allows, the Business Meeting will be followed by up to one hour of Open Public Comment, an opportunity to address the Commission on any topic concerning management of the basin's water resources outside the context of a duly noticed, on-the-record public hearing.

There will be no opportunity for additional public comment for the record at the September 10 Business Meeting on items for which a hearing was completed on August 12 or a previous date.

Commission consideration on September 10 of items for which the public hearing is closed may result in approval of the item (by docket or resolution) as proposed, approval with changes, denial, or deferral. When the Commissioners defer an action, they may announce an additional period for written comment on the item, with or without an additional hearing date, or they may take additional time to consider the input they have already received without requesting further public input. Any deferred items will be considered for action at a public meeting of the Commission on a future date.
